EVENTS

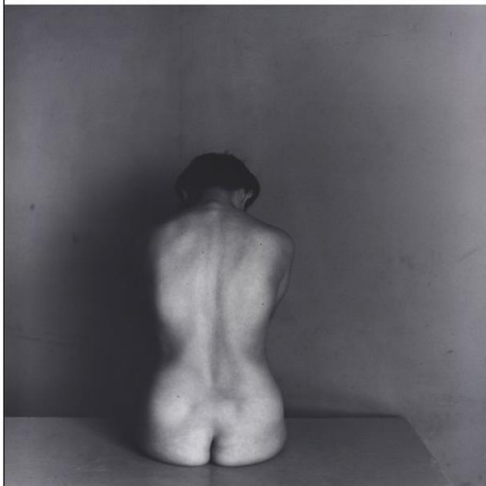

WEDNESDAY 16 /1/2019 – Craigie Horsfield

Presentation of a contemporary English photographer.

Horsfield's "clicks" are on things that are not appealing. His photographs express a world submerged in time and in anticipation, a world of gray, literally and metaphorically.

“I am a self-taught photographer. In love with documentary, street photography and my wife... not necessarily in that order. Travelled with the Doctors of the World to many countries. Co-founder and member of the Board of Directors of the humanitarian NGO Sophia Foundation for Children in Cyprus. In 2017 was a member of the BULB Photos collective. Since 2018 member of HELD Collective and editor for Friendsinbnw.

Photography is a journey to our inner self and when you “shoot” people one must not approach them as objects or even as subjects but as human beings with feelings”.

2. ΕΚΘΕΣΗ ΠΑΦΙΤΩΝ ΦΩΤΟΓΡΑΦΩΝ

The CPS-Paphos announces the 4th Photo Exhibition of PAFIAN Photographers. The main purpose of this event is to give the opportunity to photographers living in (or from) Paphos to present their work to the public through an organized group exhibition. Understanding the difficulties that anyone can encounter in organizing a personal photo exhibition and knowing that a lot of our fellow citizens are engaged in photographic art, we decided to start this event four years ago.

All photographers living in the province of Paphos or from Paphos (members and non-members of the CPS) can participate in the exhibition. The CPS PAPHOS will provide materials for the placement of photographs (frames or surfaces), print the photos, provide the space and organize the opening of the exhibition (reception, speeches). Printed photographs will be handed to the photographers after the end of the exhibition. The choice for the photos belongs exclusively to each photographer.

The exhibition will take place in March 2019.
